

## NSW Department of Education

# Bellata Public School Behaviour Support and Management Plan

## Overview

Bellata Public School is committed to explicitly teaching and modelling positive behaviour and supporting all students to be engaged with their learning.

Our goal is to inspire each child to participate positively in both the school and wider community. We focus on promoting excellence, opportunity and success for every student, every day. We value and strive to develop safe, respectful learners in a caring learning community.

Principles of positive behaviour support, inclusive practice, trauma-informed practice and social emotional learning underpin our daily practice. Consistent and high expectations for student behaviour are established and maintained through effective role modelling, explicit teaching, and planned responses.

To achieve our mission, key programs prioritised and valued by the school community are:

- One-on-one in school occupational and speech therapist access – social skills, problem solving, motivation and cognitive development.
- [BeYou](#) Beyond Blue wellbeing program.
- [Switch4schools](#) emotional intelligence program.

These programs prioritise social and emotional learning which supports good mental health, positive relationships and supports prevention of bullying.

Bellata Public School maintains a zero tolerance approach to bullying, including online (or cyber) bullying by maintaining a commitment to providing a safe, inclusive, and respectful learning community that promotes student wellbeing. Staff are committed to utilising evidence-based approaches and strategies that promote a positive climate where bullying is less likely to occur.

All members of the school community are active participants in building an inclusive school culture that values diversity and fosters positive relationships. A key aspect of a supportive school culture is building respectful relationships and an ethos that bullying is not accepted, in both online and offline environments. School staff actively respond to student bullying behaviour.

## Partnership with parents and carers

Bellata Public School will partner with parents/carers in establishing expectations for engagement in developing and implementing student behaviour management and antibullying strategies, by:

- using concerns raised through complaints procedures to review school systems, data and practices.
- Encouraging parent/carer/community members to provide feedback, thoughts and concerns through both formal and informal means such as consultation through P&C, Personalised Learning Plans, school surveys, local AECG, parent teacher interviews and informal meetings that occur on a daily basis between school staff and the wider community.

Bellata Public School will communicate these expectations to parents/carers through [SchoolBytes](#) and the school website. Our school proactively builds collaborative relationships with families and

community members to create a shared understanding of how to support student learning, safety and wellbeing.

## School-wide expectations and rules

Bellata Public School has the following school-wide expectations and rules:

**To be respectful, responsible and resilience learners.**

Respectful	Responsible	Resilient
<b>Care for others</b>	Earn other's trust	Seek out challenges
Always be kind	Be a team player	Restore harmony
Work co-operatively	Be ready to learn	Overcome challenges
Accept differences	Be accountable	Be your best

## Behaviour code for students

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

The Behaviour Code for Students can be found at <https://education.nsw.gov.au/policy-library/policyprocedures/pd-2006-0316/pd-2006-0316-01>. This document translated into multiple languages is available here: [Behaviour Code for Students](#).

## Whole school approach across the care continuum

Our school embeds student wellbeing and positive behaviour approaches and strategies in practices across the care continuum to promote positive behaviour and respond to behaviours of concern, including bullying and cyber-bullying behaviour.

These approaches and strategies are built on a foundation of evidence-based effective classroom practices that set the tone for engagement with learning and respectful relationships. These practices include:

- stating and explicitly teaching classroom expectations
- establishing predictable routines and procedures that are communicated clearly to students
- encouraging expected behaviour with positive feedback and reinforcement
- discouraging inappropriate behaviour
- providing active supervision of students
- maximising opportunities for active engagement with learning
- providing carefully sequenced engaging lessons that provide options for student choice
- differentiating learning content and tasks to meet the needs of all learners.

Care Continuum	Strategy or Program	Details	Audience
Prevention	Teaching school Rules	Explicitly and consistently teach school rules, values and expectations.	All
<b>Prevention</b>	Breakfast Club	School community run a breakfast club program that provides access to a free healthy breakfast and builds strong student-teacher connections.	All
Prevention / Early Intervention / Targeted / Individual	<a href="#">Switch 4 Schools</a>	Switch4Schools is an innovative, easy, whole school, evidence-backed social and emotional learning tool that measures and builds emotional intelligence, mental health and wellbeing.	All
Prevention	<a href="#">Child protection</a>	Teaching child protection education is a mandatory part of the syllabus.	Students K - 6
Prevention / Early Intervention / Targeted / Individual	Australian eSafety Commissioner <a href="#">Toolkit for Schools</a> to prevent and respond to cyberbullying	The toolkit resources are categorised into four elements: Prepare, Engage, Educate and Respond. The resources are used to engage with the school community about creating and maintaining safe online environments to prevent cyberbullying incidents. The toolkit includes actions to report and manage cyberbullying incidents.	All
Targeted / Individual intervention	<a href="#">Learning and Support</a>	The LST works with teachers, students and <u>families</u> to support students who require personalised learning and support.	All
Targeted / individual intervention	<a href="#">Attendance</a> support	The LST refer students to the attendance co-ordinator who will convene a planning meeting with students, families and teachers to address barriers to improved attendance and set growth goals. Class teacher identifies absences.	Classroom Teacher and Principal
Individual intervention	<a href="#">Individual behaviour support planning</a>	This may include developing, implementing, monitoring and reviewing: behaviour support, behaviour response and risk management plans.	Individual students, parent/carer, LAST, AP
Prevention / Early Intervention / Targeted / Individual	<a href="#">BeYou</a> Beyond Blue wellbeing program	This national initiative is aimed at promoting and protecting the positive mental health of students in schools. Teachers access content on a weekly basis and work through programs at a pace that is bespoke to the cohort.	All

## Planned responses to positive appropriate behaviour, inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying

Planned responses to behaviour that do not meet school expectations are either teacher or executive managed. Staff use their professional judgement in deciding whether a behaviour is teacher managed or executive managed. They should consider whether the behaviour poses a risk to the safety or wellbeing of the student or others. If logistical constraints permit, classroom teachers are always involved in the management of behaviour, even once executive staff become involved, as the teacher-student relationship is highly valued at Bellata Public School.

A behaviour of concern is challenging, complex or unsafe behaviour that requires more persistent and intensive interventions. A behaviour of concern does not include low-level inappropriate or developmentally appropriate behaviour. See Appendix 1.

- **Teacher managed** – low level inappropriate behaviour is managed by teachers in the classroom and the playground.
- **Executive managed** – behaviour of concern is managed by school executive.

Corrective responses are recorded on School OneNote. These include:

Classroom	Non-classroom setting
<ul style="list-style-type: none"> <li>• rule reminder</li> <li>• re-direct</li> <li>• offer choice</li> <li>• error correction</li> <li>• prompts</li> <li>• reteach</li> <li>• seat change</li> <li>• stay in at break to discuss/ complete work</li> <li>• conference</li> <li>• detention, reflection and restorative practices</li> <li>• communication with parent/carer</li> </ul>	<ul style="list-style-type: none"> <li>• rule reminder</li> <li>• re-direct</li> <li>• offer choice</li> <li>• error correction</li> <li>• prompts</li> <li>• reteach</li> <li>• play or playground re-direction</li> <li>• walk with teacher</li> <li>• detention, reflection and restorative practices</li> <li>• communication with parent/carer</li> </ul>

Bellata Public School staff model, explicitly teach, recognise and reinforce positive student behaviour and behavioural expectations. Switch4Schools and BeYou consist of evidence-based strategies used daily by teachers to teach self-regulation, reduce impulsivity, increase focus and strengthen peer networks.

We acknowledge that not all students are encouraged by the same thing or in the same ways. Younger students may be more motivated by adult attention while older students are typically more motivated by peer attention, activities, privileges, or freedom. Regardless of the behaviour or student, teaching and executive staff at Bellata public school champion the power of relationships and the power of maintaining a culture of respect, responsibility and resilience.

The use of verbal and non-verbal specific positive feedback is the most powerful way to:

- help adults and learners to focus on positive social behaviour
- increase the likelihood that students will use the expected behaviours and skills in the future
- decrease unexpected behaviour and reduce the need for corrective responses

- enhance self-esteem and build an internal focus of control

<b>Prevention</b> <b>Responses to recognise and reinforce positive, inclusive and safe behaviour</b>	<b>Early Intervention</b> <b>Responses to minor inappropriate behaviour are teacher managed.</b>	<b>Targeted/Individualised</b> <b>Responses to behaviours of concern are executive managed</b>
<p>1. Behaviour expectations are taught and referred to regularly. Teachers model behaviours and provide opportunities for practice. Students are acknowledged for meeting school-wide expectations and rules.</p>	<p>1. Refer to school-wide expectations and/or emotional regulation visuals and/or supports so that the student can self-regulate.</p>	<p>1. Contact second staff member to seek help straight away if there is a risk.</p>
<p>2. Verbal and non-verbal specific positive feedback in a school-wide continuum for acknowledging expected behaviour.</p>	<p>2. Use indirect responses including proximity, signals, non-verbal cues, ignore, attend, praise, redirect with specific corrective feedback.</p>	<p>2. Executive/CT to take immediate steps to restore safety and return the situation to calm by using appropriate strategies such as: redirecting to another area or activity, providing reassurance or offering choices. Incident review and planning is scheduled for a later time, determined by the context and nature of the incident.</p>
<p>3. Tangible reinforcers include those that are: free and frequent moderate and intermittent significant and infrequent Intermittent and infrequent reinforcers are recorded on School OneNote.</p>	<p>3. Use direct responses e.g. rule reminder, re-teach, provide choice, scripted interventions, student conference. Students have an opportunity to meet the classroom/playground behaviour expectation before low-level consequence is applied.</p>	<p>3. Executive collects information and reviews the incident from multiple perspectives to determine next steps. Executive to record incident on School OneNote and contact parent/carer by email or phone. Executive/principal may consider further action e.g., formal caution or suspension.</p>
<p>4. Social emotional learning lessons are taught (BeYou/PDH Lessons) weekly.</p>	<p>4. Teacher records on School OneNote by the end of the school day. Monitor and inform family if repeated. For some incidents, referral is made to the school's anti-racism contact officer (ARCO) or anti-bullying co-ordinator.</p>	<p>4. Refer to the school's Learning and Support Team considering current and previous behaviour data. Other actions may include completing a risk assessment and/or collaboratively developing a behaviour support/response plan.</p>
<p>Teacher/parent contact</p>	<p>Teacher/parent contact</p>	<p>Teacher/parent contact</p>
<p>Teacher contact through the parent portal or phone calls home are used to communicate student effort to meet expectations.</p>	<p>Teacher contacts parents by phone when a range of corrective responses have not been successful. Individual planning and referral to Learning Support Team may be discussed.</p>	<p>Parent/carer contact is made by school executive to discuss any support and behaviour responses, including referral to the LST, school counsellor, outside agencies or Team Around a School.</p>

## Responses to serious behaviours of concern

Responses for serious behaviours of concern, including students who display bullying behaviour, are recorded on SchoolBytes. These may include:

- review and document incident
- determine appropriate response/s, including supports for staff or other students impacted
- refer/monitor the student through the school learning and support team
- develop or review individual student support planning, including teaching positive replacement behaviour and making learning and environmental adjustments
- detention, reflection and restorative practices (listed below)
- communication and collaboration with parents/carers (phone, parent portal, meeting)
- formal caution to suspend, suspension or expulsion

The NSW Department of Education [Student Behaviour policy](#) and [Suspension and Expulsion Procedures](#) apply to all NSW public schools.

Responses to all behaviours of concern apply to student behaviour that occurs:

- at school
- on the way to and from school
- on school-endorsed activities that are off-site
- outside school hours and off school premises where there is a clear and close connection between the school and students' conduct
- when using social media, mobile devices and/or other technology involving another student or staff member

Students or parents can report bullying to any staff member. NSW public school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds, including cyberbullying. Students who have been bullied will be offered appropriate support, for example through the school counselling service.

## Reporting and recording behaviours of concern

Staff will comply with reporting and responding processes outlined in the:

- [Incident Notification and Response policy](#)
- [Incident Notification and Response Procedures](#)
- [Student Behaviour Policy](#) and [Suspension and Expulsion procedures](#)

Students and/or parents/carers can report cyberbullying to the [eSafety Commissioner](#) and reporting links for most sites, games and apps can be found at the [eSafety Guide](#).

## Detention, reflection and restorative practices

Toilet and food breaks are always included when withdrawal from free choice play at either break is planned as a response to behaviour. The maximum length of time will be appropriate to the age/developmental level of the student.

Strategy	When and how long?	Who coordinates?	How are these recorded?
<b>Restorative practice</b> – <a href="#">peer mediation</a> or <a href="#">circles</a> in groups	Scheduled for either lunch or recess break	Classroom Teacher	Documented in School OneNote
<b>Reflection</b> – a structured debriefing and planning after a crisis event or behaviour of concern with an individual student (reflection)	Next day at either lunch or recess break	Classroom Teacher	Documented in School OneNote
<b>Alternate play plan</b> – withdrawal from free choice play and re-allocation to another area of playground for supervised play following breach in behaviour. The purpose is to assist the student to achieve the desired behaviour, to reflect on their behaviour and make positive choices – individual or group (detention)	Next break	Classroom Teacher	Documented in School OneNote

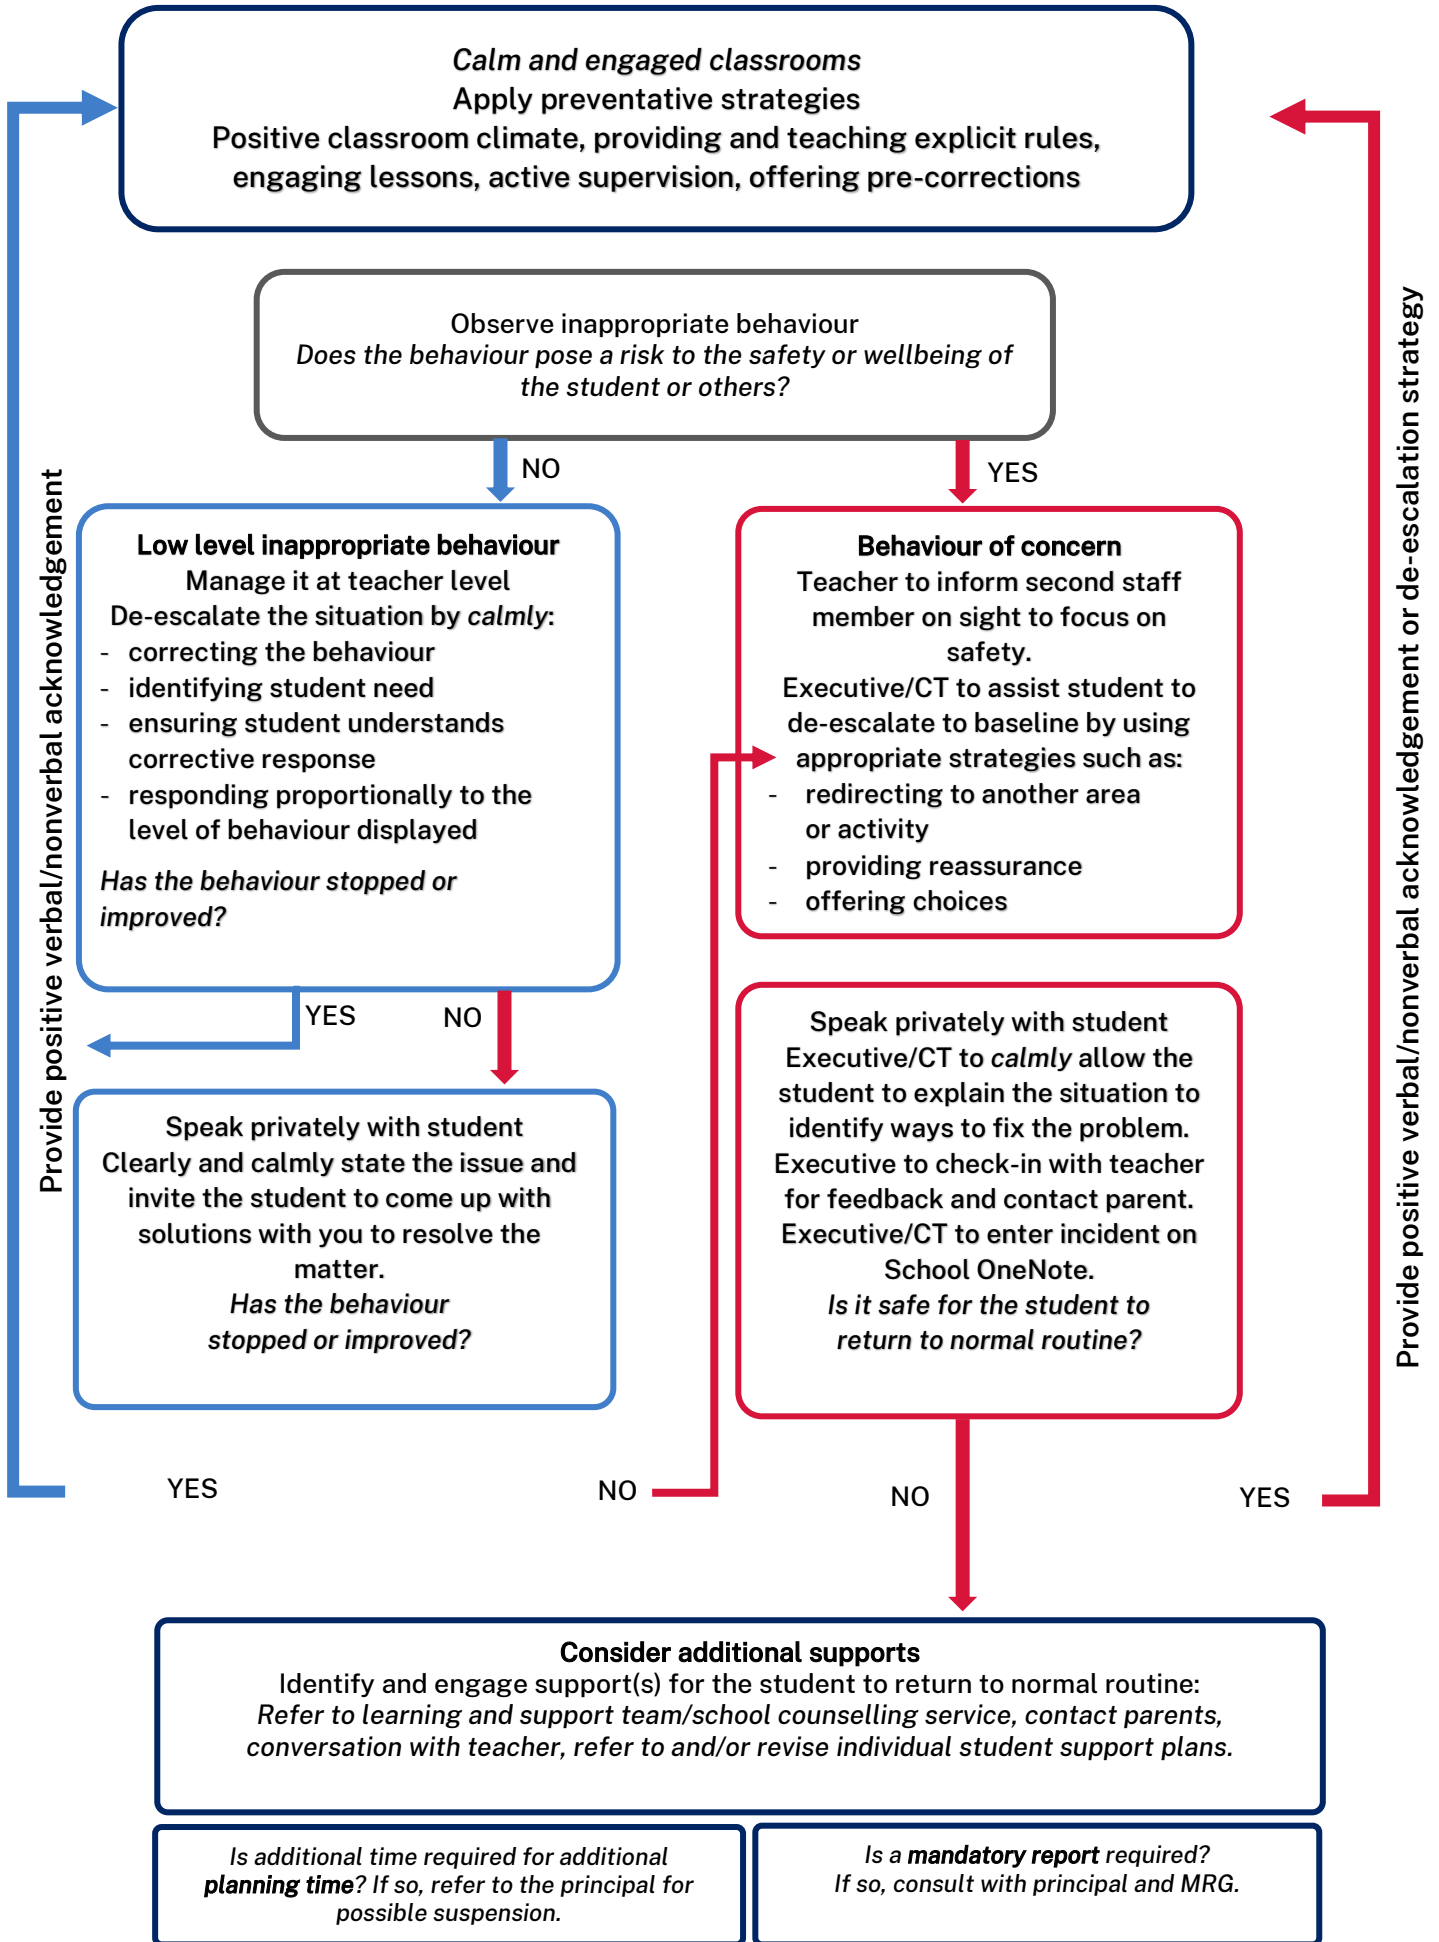

### Review dates

Last review date: [19/12/24: Day 54, Term 4, 2024]

Next review date: [1/5/25: Day 4, Term 2, 2025]

**Appendix 1: Behaviour management flowchart**

## Bullying Response Flowchart

The following flowchart explains the actions Bellata Public School staff will take when they receive a report about student bullying, including bullying which may have occurred online or outside of the school setting. The timeframes will vary depending on the professional judgment of staff who receive the bullying complaint and their assessment of immediate risk to student/s.

There is a nationally agreed definition of bullying which all Australian schools now use:

**Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.**

**Bullying can happen in person or online, via various digital platforms and devices and it can be obvious (overt) or hidden (covert). Bullying behaviour is repeated, or has the potential to be repeated, over time (for example, through sharing of digital records).**

**Bullying of any form or for any reason can have immediate, medium and long-term effects on those involved, including bystanders. Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.**

Bullying has three key features. It:

- 1 - involves a misuse of power in a relationship
- 2 - is intentional, ongoing and repeated
- 3 - involves behaviours that can cause harm.
