SCHOOL REPORT

Thank you to all of the staff who have assisted in ensuring that the school has continued to run smoothly in the absence of Mrs Bishop. We have had a fantastic week and the students have clearly enjoyed their time in the classrooms learning and enjoying time with their friends in our playground through positive play.

Please remember to ensure that you keep the school informed regarding any updates to your child/ren medical information. It is important that the school maintains current information in the event of any medical event.

Kind Regards

Mrs Kim Kirkby

K12 Classroom Teacher

3-6 NEWS

This week 3-6 have been tackling fractions in Maths, reading about famous inventors and looking at the structure of narratives in writing. A big congratulations to everyone, especially Tori, for working so hard in Rocket Maths this week! It was fantastic to see homework being returned on a Friday.

Whole School News

On Tuesday we had a very exciting delivery, our Picasso Cow has finally arrived so stay tuned for any upcoming news!

On Thursdays everyone has been participating beautifully in music with Mrs McPherson, getting active in sport, borrowing books in Library and learning some new skills in film and technology.

Audrey Cooper 44th

Annabell Dufty 15th

K/1/2 NEWS

K/1/2 have been busily working hard in all areas. Kindergarten have started spelling words in English and are making fantastic attempts to write simple sentences independently. All students in K/1/2 have completed an information report on cockatoos.

In Mathematics, Stage 1, have enjoyed comparing and measuring mass.

Stage 1 using a balance scale to measure mass.

We have had some fantastic news items this week. I have left it as a free topic for the rest of the term and students are sharing lots of interesting things that they have been up to. So far we have heard about Lachie's toy farm, Max's cropping and Nina's Grandma's farm in China.

Library borrowing Thursday. Homework due Friday.

P&C

There will be a P&C meeting on Wednesday 1st July at the Bellata Golf club commencing at 6pm. Due to COVID19 we are unable to hold it at the school. Children are welcome, however please remember that they are the responsibility of their parents/carers.

One major point to be covered will be the reopening of the school canteen. Canteen is only offered 1 day a week on a Friday. The more volunteers we have, will ensure that you may only be required perhaps twice a term. If you are a little nervous about offering to volunteer then think about volunteering with a friend. Don't forget it doesn't just have to be a mum, dads are most welcome, as are Grandparents or Aunties and Uncles. It is an extremely rewarding time and your children will certainly love to see your smiling face when serving their lunches. Please think about volunteering.

News from Mrs Chaplin

I would just like to mention how wonderful it is to see the children in their winter school uniform. You all look amazing.

Mrs Crosara NEWS

K-6 having been enjoying learning about different cultures and their dances these past few weeks. We have looked at where the country is, what the dance costumes are like and what sort of dances they do there. We have then had a go at learning one of the style of dances. The first week we visited Mexico and tried our hand at the Mexican Hat Dance. The next week we visited Russia where there was lots of laughing as we attempted the Russian Kick Dance. This last week we used an idea of a clock to do some African dancing. This was a great workout with everyone puffed by the end. We are looking forward to creating a dance using all the aspects of dance that we have tried and then presenting that to Bellata Preschool on the last Monday afternoon of term.

Music News

All of the children have been learning our National Anthem, Advance Australia Fair. They have been learning both verses. We look forward to hearing them, I'm sure many of you may not know the second verse. The children then break into smaller groups, learning the drums, ukuleles and singing groups.
